**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE SCHOOL DISTRICT**

The Board of Education affirms its commitment to nondiscrimination and recognizes its responsibility to provide an environment that is free of harassment and intimidation as required by Federal and state law. Harassment is a violation of law and stands in direct opposition to District policy. Therefore, the Board prohibits and condemns all forms of discrimination and harassment on the basis of race, color, creed, religion, national origin, political affiliation, sex, sexual orientation, age, marital status, military status, veteran status, disability, use of a recognized guide dog, hearing dog or service dog, or domestic violence victim status by employees, school volunteers, students, and non-employees such as contractors and vendors as well as any third parties who are participating in, observing, or otherwise engaging in activities subject to the supervision and control of the District.

Sexual orientation is defined as heterosexuality, homosexuality, bisexuality, or asexuality, whether actual or perceived.

The Board also prohibits harassment based on an individual's opposition to discrimination or participation in a related investigation or complaint proceeding under the anti-discrimination statutes. This policy of nondiscrimination and anti-harassment will be enforced on School District premises and in school buildings; and at all school-sponsored events, programs and activities, including those that take place at locations off school premises and in another state.

It is intended that this policy apply to the dealings between or among employees with employees; employees with students; students with students; employees/students with vendors/contractors and others who do business with the School District, as well as school volunteers, visitors, guests and other third parties. All of these persons are hereinafter referred to collectively as "the named group."

For purposes of this policy, harassment shall mean communication (verbal, written or graphic) and/or physical conduct based on an individual's actual or perceived race, color, creed, religion, national origin, political affiliation, sex, sexual orientation, age, marital status, military status, veteran status, disability, use of a recognized guide dog, hearing dog or service dog or domestic violence victim status that:

- a) Has the purpose or effect of substantially or unreasonably interfering with an individual's work performance or is used as a basis for employment decisions (including terms and conditions of employment) affecting such individual; and/or creates an intimidating, hostile or offensive work environment;
- b) Has the purpose or effect of substantially or unreasonably interfering with a student's academic performance or participation in an educational or extracurricular activity, or creates an intimidating, hostile or offensive learning environment; and/or effectively bars the student's access to an educational opportunity or benefit;
- c) Otherwise adversely affects the employment and/or educational opportunities and benefits provided by the District.

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE SCHOOL DISTRICT (Cont'd.)**

**Complaints and Grievances by Employees**

In accordance with the provisions of General Municipal Law and the collective bargaining agreements, all District personnel shall have the opportunity to present their complaints or grievances free from interference, coercion, restraint, discrimination or reprisal. The District shall provide at least two (2) procedural stages and an appellate stage for the settlement of any grievance.

Complaints or grievances not covered under employee contracts shall be handled and resolved, whenever possible, as close to their origin as possible. The Superintendent is responsible for implementing regulations for the redress of complaints or grievances through proper administrative channels.

**Complaints and Grievances by Students**

While students have the responsibility to abide by the policies and regulations of the District, they shall also be afforded opportunity to present complaints and grievances free from interference, coercion, restraint, discrimination or reprisal.

Administration shall be responsible for establishing rules and regulations for the redress of complaints or grievances through proper administration channels. In addition, the administration shall be responsible for developing an appeals process, ensuring that students have full understanding and access to these regulations and procedure, and providing prompt consideration and determination of student complaints and grievances.

**Investigation of Complaints and Grievances**

The School District will act to promptly investigate all complaints, either verbal or written, formal or informal, of allegations of harassment based on any of the characteristics described above; and will promptly take appropriate action to protect individuals from further harassment. The District will designate, at a minimum, two (2) Compliance Officers, one of each gender.

In order for the Board to enforce this policy, and to take corrective measures as may be necessary, it is essential that any employee, student, or other member of the above named group who believes he/she has been a victim of harassment in the school environment and/or at programs, activities and events under the control and supervision of the District, as well as any individual who is aware of and/or who has knowledge of, or witnesses any possible occurrence of harassment, immediately report such alleged harassment; such report shall be directed to or forwarded to the District's designated Compliance Officer(s) through informal and/or formal complaint procedures as developed by the District. Such complaints are recommended to be in writing, although verbal complaints of alleged harassment will also be promptly investigated in accordance with the terms of this policy. In the event that the Compliance Officer is the alleged offender, the report will be directed to the next level of supervisory authority.

## Community Relations

**SUBJECT: NON-DISCRIMINATION AND ANTI-HARASSMENT IN THE SCHOOL DISTRICT (Cont'd.)**

Upon receipt of an informal/formal complaint (even an anonymous complaint), the District will conduct a prompt, equitable and thorough investigation of the charges. However, even in the absence of an informal/formal complaint, if the District has knowledge of any occurrence of harassment, the District will investigate such conduct promptly and thoroughly. To the extent possible, within legal constraints, all complaints will be treated as confidentially and privately as possible. However, disclosure may be necessary to complete a thorough investigation of the charges and/or to notify law enforcement officials as warranted, and any disclosure will be provided on a "need to know" basis. The Superintendent will inform the Board of Education of investigations involving findings of discrimination or harassment.

Based upon the results of this investigation, if the District determines that an employee and/or student has violated the terms of this policy and/or accompanying regulations, immediate corrective action will be taken as warranted. Should the offending individual be a student, appropriate disciplinary measures will be applied, up to and including suspension, in accordance with applicable laws and/or regulations, District policy and regulation, and the *District Code of Conduct*. Should the offending individual be a school employee, appropriate disciplinary measures will be applied, up to and including termination of the offender's employment, in accordance with legal guidelines, District policy and regulation, and the applicable collective bargaining agreement(s). Third parties (such as school volunteers, vendors, etc.) who are found to have violated this policy and/or accompanying regulations and/or the *Code of Conduct*, will be subject to appropriate sanctions as warranted and in compliance with law. The application of such disciplinary measures by the District does not preclude the filing of civil and/or criminal charges as may be warranted.

**Prohibition of Retaliatory Behavior (Commonly Known as "Whistle-Blower" Protection)**

The Board prohibits any retaliatory behavior directed against complainants, victims, witnesses, and/or any other individuals who participated in the investigation of a complaint of harassment. Follow-up inquiries shall be made to ensure that harassment has not resumed and that all those involved in the investigation of the harassment complaint have not suffered retaliation.

**Finding That Harassment Did Not Occur**

At any level/stage of investigation of alleged harassment, if a determination is made that harassment did not occur, the Compliance Officer will so notify the complainant, the alleged offender and the Superintendent of this determination. Such a finding does not preclude the complainant from filing an appeal pursuant to District policy or regulation and/or pursuing other legal avenues of recourse.

However, even if a determination is made that harassment did not occur, the Superintendent/designee reserves the right to initiate staff awareness and training, as applicable, to help ensure that the school community is not conducive to fostering harassment in the workplace.

**Privacy Rights**

As part of any investigation, the District has the right to search all school property and equipment including District computers. Rooms, desks, cabinets, lockers, computers, etc. are provided by the District for the use of staff and students, but the users do not have exclusive use of these locations or equipment and should not expect that materials stored therein will be private.

**Civil Rights Compliance Officer (Title IX/Section 504/ADA Compliance Officer)**

The Civil Rights Compliance Officer is the \_\_\_\_\_ (*District to fill in designated Compliance Officer*). The Civil Rights Compliance Officer shall be appointed by the Board and shall be responsible for providing information, including complaint procedures, and for handling complaints relative to civil rights (e.g., Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990) for any student, parent, employee or employment applicant.

Prior to the beginning of each school year, the District shall issue an appropriate public announcement which advises students, parents/guardians, employees and the general public of the District's established grievance procedures for resolving complaints of discrimination based on sex or disability. Included in such announcement will be the name, address and telephone number of the Civil Rights Compliance Officer.

The Civil Rights Compliance Officer shall also be responsible for handling complaints and grievances regarding discrimination based on race, color, creed, religion, national origin, political affiliation, sexual orientation, age, military status, veteran status, marital status, predisposing genetic characteristics, use of a recognized guide dog, hearing dog or service dog, or domestic violence victim status.

The Superintendent/designee(s) will affirmatively discuss the topic of harassment with all employees and students, express the District's condemnation of such conduct, and explain the sanctions for such harassment. Appropriate training and/or "awareness" programs will be established for staff and students to help ensure knowledge of and familiarity with the issues pertaining to harassment in the schools, and to disseminate preventative measures to help reduce such incidents of prohibited conduct. Furthermore, special training will be provided for designated supervisors and managerial employees, as may be necessary, for the investigation of harassment complaints.

A copy of this policy and its accompanying regulations will be available upon request and may be posted at various locations in each school building. The District's policy and regulations on anti-harassment will be published in appropriate school publications such as teacher/employee handbooks, student handbooks, and/or school calendars.

This policy should not be read to abrogate other District policies and/or regulations or the *District Code of Conduct* prohibiting other forms of unlawful discrimination, inappropriate behavior, and/or hate crimes within this District. It is the intent of the District that all such policies and/or regulations be read consistently to provide the highest level of protection from unlawful discrimination in the provision of employment/educational services and opportunities.
